MEMO

To: SRFN Community
Copy To: Director of Operations
Date: August 28, 2020
Subject: Transfer Station

The Serpent River Transfer Station, located on Walkhouse Bay Road, is a site for the temporary local waste collection prior to loading into larger waste cargo vehicles for transport to the landfill station in Spanish.

Bins at the transfer station are emptied by GFL Environmental weekly as follows:

- Monday – Cardboard
- Wednesday – Plastic
- Friday – Garbage

In order to address concerns about inappropriate dumping at the Transfer Station, cameras have been installed, are working and will be monitored to identify abuse of the Station. The gates will be open Monday – Friday 8:30 – 4:00 and locked on weekends. Garbage may be taken to the Spanish Landfill Site outside of these hours.

Please contact the Housing & Infrastructure Department at (705) 844-2418 if you have anything other than household garbage you need picked up and arrangements will be made.

Do not drop off trash at the transfer station gates or non-specified locations.

Spanish Landfill Hours of Operation

Fridays 8:00 AM – 2:30 PM

3rd Saturday of the month 9:00 AM – 1:00 PM

**Please note that tipping fees apply when bringing items to the landfill*

Please also note that due to increased bear activity in the community, Serpent River First Nation has ordered a bear trap and staff will be trained on proper processes; we will implement these bear management efforts as soon as possible.

Thank you for your co-operation.
