## *Huron-Superior Catholic District School Board*

Invites applications for the following positions:

### **REMOTE LEARNING – Elementary Teacher Position (LTO) Native Languages**

The Board is looking for current qualified permanent teachers and occasional teachers who are interested in teaching in a remote learning environment and are strong communicators, have strong interpersonal skills and are team players.

Programming in Remote Learning will be based on the full Ontario curriculum and include opportunities for guided instruction, large- and small-group learning, synchronous check-ins and asynchronous independent work. Teachers must be available to students at all times during the teachers' assigned teaching timetables, as they would be if they were face-to-face in a classroom setting.

It is expected that synchronous learning will be provided for large and small groups of students each day, in a manner similar to in-person classroom teaching. Synchronous learning time may include students working independently and in small groups while engaged in a virtual classroom with the teacher overseeing their learning and available for questions.

Ministry Policy/Program Memorandum No. 164, outlines the minimum requirements for engaging students during remote learning. These minimum requirements for synchronous learning help to ensure that students have access to both synchronous and asynchronous learning opportunities. This will help to ensure that students have access to both synchronous (using text, video or voice communication in real time via tools such as Microsoft Teams, Google Classroom, Google Meet, telephone, etc.) and asynchronous learning opportunities (using text, email, recorded video in tools such as Google Classroom, Office 365, print materials). The scheduled synchronous learning sessions must be communicated to parents and students.
