Community Notice 2021 Census

This notice is to inform you about the next phase in the Census, referred to as – **Non-Response Follow-Up (NRFU)**.

It is at this stage where Enumerators will be canvassing door-to-door to homes that have **not** completed their Census questionnaire and encouraging them to do so at the door.

All Enumerators have been trained on Health and Safety procedures and Covid-19 protocols are in place. During NRFU, Enumerators are not to enter homes. When knocking on the door, they are instructed to take a step back and complete the questionnaire with respondent outside. They will also be doubling masking and wearing a bright coloured vest with their Census ID badge.

In most cases, we have been successful at hiring Census Enumerators who live and will work within your community. Our goal is to encourage Census participation while minimizing contact with community members as much as possible.

Your participation in the 2021 Census is greatly appreciated.
