Date: September 11, 2023
Re: Connection of Generator

Good afternoon,

Len Sidock Electric has informed us that they will be connecting the new generator when all parties are able.

Once we are provided with a date and time, we will let you know. The gas bar will close during the connection. We are hoping that it would only be approximately 3-6 hours.

If you have any questions or concerns, please do not hesitate to contact us at the number below.

Miigwetch
