**\* Please Note:**

If you have been nominated for Chief and have not accepted your nomination, you have until Sunday, November 12, 2023, at 6:00 pm to do so. As a nominee, you must complete the candidate acceptance form and pay your candidate fee to be placed on the ballot. It is the candidate's responsibility to ensure they accept in the required format prior to the closing time. Failure to do either will result in your name being omitted from the ballot.

The Electoral Officer will be at the Community Centre between 9:00 am and Noon on Friday, November 10, 2023, to contact nominees, finish any acceptances or to plan to complete the required paperwork that was not done during the nomination meeting. Candidate packages may also be picked up at that time.

Should the Electoral Officer not be able to contact you on Friday, you may call the Electoral Officer (Scott Jacobs) at 705-875-8650 regarding the process for acceptance.

Thank You,  
Scott Jacobs, Electoral Officer
