

Residential / Commercial / Development

Job Posting: Site Supervisor – RESIDENTIAL CONSTRUCTION

Location: Elliot Lake, ON

Position Duration: 12-Month Contract

Company: RSG General Contracting

Application Deadline: Open until position is filled

RSG General Contracting is seeking a highly motivated and experienced Site Supervisor to oversee residential construction projects from start to finish. This is a 12-month contract position with the potential for extension based on performance and project demands.

Key Responsibilities:

- Oversee daily on-site operations for residential construction projects
- Coordinate and manage subcontractors, trades, and suppliers to ensure timely project completion
- Maintain quality control standards and ensure adherence to building codes, safety regulations, and project specifications
- Communicate effectively with project managers, clients, and other stakeholders
- Monitor project schedules and budgets, addressing delays or issues proactively
- Maintain accurate site records and documentation

Requirements:

- Minimum 5 years of experience in residential construction, with at least 2 years in a supervisory or site management role
- Strong knowledge of construction processes, building codes, and safety standards
- Excellent leadership, communication, and organizational skills
- Ability to read and interpret blueprints and construction drawings
- Proficient with construction management tools and Microsoft Office suite
- Valid driver's license and reliable transportation

To Apply:

Please submit your resume to paulrsg1@outlook.com with the subject line ***"Site Superintendent Application – [Your Name]"***. Only those selected for an interview will be contacted.
